PINOT GRIS

columbia valley | vintage 2022

QUALITY • CONSISTENCY • CHARACTER | 40 YEARS IN WASHINGTON WINE | FAMILY-OWNED AND OPERATED

PINOT GRIS AT BARNARD GRIFFIN —

Crafted in a clean, yet substantial, French way- Pinot Gris at Barnard Griffin is aromatically intense with moments of brightness and lingering flavor.

VINTAGE 2022 —

A wet, late spring, a torrid summer, a perfect fall.

Harvest began 25 full days later than recent years on September 12th. This is about the time nature and providence shined upon us with a beautifully warm and gentile autumn. Whites were generally afforded extra hang time for flavor development without excessive sugar and depleted acid, almost perfect balance to be very authentic Washington wines. Reds were similarly well composed with ample sugar and enhanced character from additional time on the vine. Rich and balanced reds of excellent potential.

TASTING NOTES —

A clean, inviting, pear-like aroma leads to ripe apple, melon and citrus flavors in this stunning two-vineyard Pinot Gris.

It features bright, zippy acidity, persistent fruit and a lingering finish.
